TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of New Castle, in the County of Rockingham, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall, in said New Castle, on Tuesday, the ninth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To hear the reports of agents, officers and others heretofore chosen, and to pass any vote in relation thereto.

2. To choose all necessary town officers for the year ensuing.

3. To hear the report of the budget committee and to pass any vote in relation thereto.

4. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and to make appropriation for the same.

5. To see if the town will authorize the selectmen to incur temporary loans in anticipation of taxes upon the credit of the town.

6. To see if the town will vote to allow a discount on taxes paid within a limited time, and to fix the amount of such discount and the date or dates when the same shall be allowed.

7. To see if the town will vote to establish a Planning Board pursuant to Chapter 55 of the Laws of 1935.

8. To see if the town will vote to accept state aid

for the permanent improvement of its highways and to make appropriation therefor.

9. To see if the town will vote to adopt rules and regulations for the use of the town hall by private persons.

10. To see if the town will vote to alter and improve the town hall by the installation of water and toilet facilities for the more convenient use thereof and to make appropriation therefor.

11. To see if the town will vote to construct steps or other facilities to make more accessible and convenient the use of the town landing, so-called, and other landing places.

12. To see if the town will vote to sell and dispose of the so-called old town hall and upper school building.

13. To see if the town will vote to alter, renovate and repair the old town hall and upper school building for the quartering therein of the town poor dependent upon public support.

14. To see if the town will vote to construct an addition upon the fire station, so-called, for the use as a storeroom of property belonging to the several town departments.

14. a. Is it expedient to revise the State Constitution?

15. To see if the town will vote to prescribe rules for the rendering and collecting of bills for water supplied by the water department and provide for the payment of bills directly to the water commissioners or some person appointed by them.

16. To see if the town will vote to aid the New Hampshire Seacoast Regional Development Association, and to make appropriation therefor.

17. To see if the town will vote to provide for the election of members of the Budget Committee instead of having them appointed by the Moderator as provided in the vote adopting the Municipal Budget Act.

18. To see if the town will vote to adopt rules and regulations for the use of the Fire Station, so-called.

19. To see if the town will vote to place oil upon the swamps and lowlands of the town, and of private persons with their consent, for the purpose of mosquito control, and to make appropriation therefor.

20. To see if the town will vote to constitute and appoint a committee to act for the town in connection with any proposed use by the Federal Government of its property within the confines of the town.

21 To transact any other business that may lawfully come before said meeting.

Given under our hands and seals, this eighteenth day of February, in the year of our Lord, one thousand, nine hundred and thirty-seven.

OLIVER W. MARVIN,
RICHARD E. POOLE,
ELMER S. PRIDHAM,

Selectmen of New Castle.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of New Castle:

I herewith submit to you my seventh report as superintendent of your schools.

The New Castle schools opened the current year on September 9, 1936. The children of the primary grades found a room much improved over their former quarters. Not only is the room considerably larger but it is in many ways more suited to a happy and healthful development of the learning powers of our children. There is no more cross lighting and the rows of seats are farther apart. Both of these facts, together with the addition of new windows to the left and in back of the children, bring it about that adequate light falls upon each pupil's desk and falls in the way that gives the least strain to the eyes. The coat room, formed by a semi-partition between the pupils and the windows on their right, keeps the garments warm and at the same time out of sight of the class room itself. The ventilating stove, a duplicate of that in the grammar room, acts to distribute the heat evenly about the room.

The pupils of the upper grades found a new teacher in charge. Mrs. Katherine Scott, your teacher for fourteen years, resigned at the end of the past school year. She has served you and your children faithfully and well and is in great part responsible for the creditable rating of the recent New Castle graduates in the higher schools which they have attended. That this record is upheld by those entering the seventh grade in Portsmouth last September is proven by the following facts.

A report of the marks earned by these pupils shows but one subject failure during the two marking

periods. In other words, out of our seventh grade pupils who earned fifty-five ranks in the second marking period but one of these fifty-five was below the required 70%. It will be of interest to note that all ranks earned by our seventh grade pupils for both fall marking periods averaged 78% with a median of 80. Our eighth grade pupils over a like period averaged 82 with a median of 85. I believe an expression of appreciation is also due Portsmouth not only for bestowing upon our children the benefits of the regular work but also for special considerations occasionally given individual pupils.

Mrs. Wheeler, the present teacher of our upper school, has, in the past few weeks, won the confidence of us all. I believe that she will carry on successfully the work of these grades. She is insisting upon good training and thorough scholarship.

This year we are devoting special attention to the teaching of spelling. Two definite steps have been taken toward increased efficiency in this skill. Samples of seventeen different and modern spelling texts were obtained and submitted to the teachers of this Supervisory Union for their comments and criticisms. It was the opinion of a large majority that for interest, teachability, and skilled application of the words studied, the Modern Life Spellers were the best. I am therefore recommending these texts in the New Castle schools. Another approach to the same problem is to be made in that all papers written by pupils in any subject must be correct as to spelling before credit for the work will be given.

The New Castle schools are in every way satisfactory with the exception of the toilet facilities. Some such equipment as was placed in the former junior high building should, in justice to our children, be installed in our present school. This is a health measure. May I recommend your consideration of this step?

The pupils of New Castle, under the able direction of Mrs. Poore, have continued with their music course. The rhythm band is, I feel sure, one of the outstanding achievements of the work. It results in the development of the sense of rhythm and of a musical taste at the earliest possible age.

May I express my thanks to the school board for continued help and guidance in the duties of my office. Such help must result in more effective work through the entire system.

Respectfully submitted,

ROY W. GILLMORE,
Superintendent of Schools.
